MOTTO: No matter how arduous the struggle is, victory is certain

Sir Outsourcing of Public Relations Consultancy poses a gargantuan threat to the **job security including career growth, posterity and prosperity** to Union membership currently employed, engaged, deployed and assigned the same duties and responsibilities which may ultimately lead **job redundancy**.

It is in this backdrop that the Union thenceforth implores your ever agile and esteemed office to **forthwith withdraw and cancel the aforementioned tendering process and any other such undertakings thereof**.

Yours *Sincerely*

MICHAEL OPIYO
